THIS INSTITUTION IS AN EQUAL OPPORTUNITY PROVIDER, AND EMPLOYER.

Dear Water Customer,

Jim Hogg County Water Control and Improvement District No 2 (JHCWCID2) is committed to effective management of our critical water resources. JHCWCID2 is replacing its aging water meters with new models that provide great or efficiency and conservation technology.

We are partnering with Schneider Electric and Aguaworks Pipe & Supply (SE/APS) to complete the installation. Within the next 9 months more or less.

There is no charge to you for this meter replacement.
All water meters are scheduled for replacement.
JHCWCID2 & SE/APS thank you for your cooperation in making this program a success!
