## Boil Water Notice Rescinded

On May 16th, 2025, the Texas Commission on Environmental Quality (TCEQ) required our public water system Jim Hogg County WCID #2, PWS ID: TX1240001, to issue a Boil Water Notice (BWN) to inform customers that due to the presence of contaminants or interruption in service, water from our system must be boiled prior to consumption.

Our system has taken the necessary corrective actions to restore adequate pressure, disinfectant levels, and/or bacteriological quality and has provided TCEQ with testing results that indicate that the water NO LONGER requires boiling as of 05/17/2025.

If you have questions contact Tomas Barraz, Jr. at (361) 527-0083.

If a customer wishes to reach TCEQ, they may call (512) 239-4691.
