

ATTENTION JIM HOGG CO. WCID#2 CUSTOMERS

BOIL WATER RESCIND NOTICE

On February 8, 2024, the Texas Commission on Environmental Quality (TCEQ) required our public water system Jim Hogg County WCID#2, PWS ID: 1240001, to issue a Boil Water Notice (BWN) to inform our customers that due to the presence of contaminants or an interruption in service, water from our system must be boiled prior to consumption.

Our system has taken the necessary corrective actions to restore adequate pressure, disinfectant levels, and/or bacteriological quality and has provided TCEQ with testing results that indicate that the water **NO LONGER** requires boiling as of February 9, 2024.
